

## **JUNIOR EMAIL LOG**

### **20th February 2020**

Hi there,

We have been watching the weather forecast for this coming weekend.....and it is not over encouraging. However, we will try to make a start on the big putting green opposite the pro shop at 10.30am on Saturday. The forecast is sunny but very windy. Come along if you think the weather is ok for you. Some lucky ones, I know, are still on holiday and sunning themselves in gentler climes.

We hope to see some of you at the putting green at 10.30am on Saturday.

Sunday sessions on the Broomfield with Gus and Keith....leave this for another week by which time I will give Gus a list of email addresses so that he can contact you himself.

See you all soon.

Janice

### **11th February 2020**

Hi there,

We have been thinking of getting you to dust off the golf clubs for the new season.....but the weather has taken a very unpromising turn.....not very good for golfing!!!! However, we hope to start at the Pitch and Putt course on Saturday 22nd February at 10.30am. This will include all Minis and Beginners as usual but if any of the rest of you want to come out to swing a club you are welcome. ALSO, Gus and Keith (a new coach for you to meet!!) will meet you on Sunday 23rd February at 11am at the first tee of the Broomfield course if you wish to go on the Broomfield. Those wishing to go on the 1562 course on Sunday please make your own arrangements. Alan will hover in his buggy between the two courses on Sunday!!??

Please note that we have entered 2 teams in the Super Sixes this season so it is important that we get you going at the Pitch and Putt on Saturdays as soon as we can.

I will send another e-mail next week when we have another look at the weather.

We are looking forward to meeting up with everyone again.

Janice

P.S. I will soon be sending out a note of the starting date for competitions and a Programme for the season.
