

RMMGC Board Meeting

ATTENDEES Rob Carnegie, Graham Robb, Bob West, Alan Mercer, Doreen Leask, Brian Leask and Valerie Morris , Brian McKay, Debbie Leslie (Minutes)

This meeting was held via Zoom - organised by Robert West and chaired by Rob Carnegie.

Reopening of Golf Course

This meeting was specifically held to go over some issues in relation to the re-opening of the Golf Course/Club after Nicola Sturgeon made public her intentions for Scotland after lockdown. She has stated golf courses can re-open with effect from 28th May 2020.

A walk round the Clubhouse on Saturday morning will be carried out in relation to a process, and setting out ground markings etc.

Arrangements will be made for members to enter the club to retrieve their clubs and belongings in order for them to play golf from this date. The club will be open on Monday 25th pm, 26th am and 27th evening for this to be done. The Board will be managing this with signing in entry and social distancing policies being adhered to. An email correspondence will be sent out to all Locker holders via V1 Club system.

Hand Sanitiser, and various social distancing notices will be on show directing people through the building. Brian Leask will also be on the front desk updating peoples membership access cards so these work on the new door entry system so will be less work when the Club does eventually re-open.

There will also be a further communication sent out to all members in relation to Golfing Protocol detailing procedures after lockdown for golfing and this will follow on from a communication which is due out from MGLL in relation to season ticket holders etc.

There will be no competitions currently, but this could change in the coming weeks so members will be updated accordingly once things progress initially.

AOCB

Alan Mercer brought up the discussions of booking tee times etc and it was agreed that in the meantime MGLL will oversee the booking of Tee Times currently until we perhaps move into Phase 2 after lockdown and then they may be taken back into the Clubhouse to oversee but this depends on what will be allowed through the SGU etc.

MGLL have volunteers in place to deliver season tickets, stickers etc to minimise contact at their building. They will also have volunteers available in relation to social distancing measures around the course building etc.

Graham Robb mentioned that we had been donated 200 plants for the Clubhouse and that John Tasker and a couple of other members would be planting these on Monday morning of the 25th May. It was agreed that Thank You's would be sent out in the next newsletter.

It was also stated that another correspondence in relation to how the new door entry system will work will be communicated to members via V1 system too prior to Clubhouse being re-opened in the near future.

Next Board Meeting to be held via Zoom on Thursday 28th May 2020 at 2pm AP register
Meeting closed at 15.15

Signed as true record of the meeting.
