## December Newsletter

### Captains Christmas Message

Hello everyone,

It has been a very difficult year that no one could have imagined at the start of 2020. We can take some positives from the year, in that we have been able to play our beloved game on a great course, the club has managed to function somewhat under these exceptional circumstances. We have also established certain management systems that will allow the club run smoother in the future.

Hopefully in the not-too-distant future we will get back to as near as normal as possible.

Thanks for your continued support.

I would like to wish everyone a Merry Christmas and a Safe New year.

Rob Carnegie.
