

Royal Montrose Mercantile

Senior group and competition details

The Seniors group play all year round on both the 1562 course and the Broomfield course. The summer season consists mainly of friendly and Caledonian League matches. The Friendly age is 55+ and the Caledonian League is 50+. We have approx. 34 games which is made up of 10 league and the remainder friendly. Sheets are put up in the visitors changing room for all games for those who wish to be considered. The idea is to give as many members as possible a game.

We run two summer competitions, Tony Sutton trophy and Tony Rance, one being on the Broomfield and one on the 1562.

We also play every Wednesday in the winter on both courses. These are fun competitions, and the format is varied.

The senior convenor is David Henderson, email davidamhenderson@hotmail.co.uk. Mob. 07513316563.

Brian McKay looks after the League, and I assist Alan Crow with the winter comps.

Our senior group is very successful, and any new faces are always welcome.

Dave Henderson
