Congratulations and well done to the following winners drawn at the February Board Meeting:

1st Prize - Anne Reoch - £60
 2nd Prize - John Anderson - £40
 3rd Prize - Gordon Maiden - £20
 4th Prize - Janice Crow - £10

The Board appreciates members support in the monthly prize draw and it is good way to boost club proceeds while providing members with the opportunity to win one of the monthly prizes.

For any members that wish to participate in the Monthly Prize Draw: Entry Fee is £5/month. Just over £5000 was taken in last year, with £2330 distributed in prize money and just over £2700 being raised for club funds.

Monthly prizes are currently £60, £40, £20, £10 with a Grand Prize Draw at the AGM in January. Prizes then are £500, £200, £150, £50. Value of prizes will increase the more members that participate.

The Standing Order Mandate Form is available from the 'Members Home' page on the club website or set up online directly through your bank. Once you have established your Standing Order please email admin@rmmgc.co.uk and advise..

Annual Subscription Fee Notices

Annual Membership Fees

All subscription invoices for 2021/22 have now been sent to all members via email or regular mail for payment by end of March 2021. Details of how to submit payment are included on the subscription notices. The fees this year have not increased and once again the Board appreciate your ongoing support. Should anyone not receive their subscription notice or wish to discuss details of their subscription please contact Brian Leask at secretary@rmmgc.co.uk

We hope to have the club open soon once Government Guidelines allow us to do so

Ex Mercantile Locker Room Update

We have now completed the consolidation plan within the ex Mercantile locker room. Once these locker rooms are open again there will be no further access to gents and ladies toilets within this building and toilets within main building should be used.

Thanks to all members who helped this move to go as smoothly as possible.

We have also moved a number of ex Mercantile lockers upstairs into the mens locker room to provide future flexibility should it be required.

We have also taken the opportunity to refit one of the Trolley Sheds internally with rails/hook to allow members secure golf trolley storage.

One Entity Discussions

Some members will have observed from recent communications from MGLL that the club Board have been involved in discussions with the Caledonia Golf Club and MGLL to explore what the sustainable future of golf in Montrose may look like in the coming years. This group will explore potential benefits of the different entities working closer together in the future.

We will continue to keep our members informed as we move through this journey.
