

Royal Montrose Mercantile

Winter Golf 2021

Good afternoon, Gents,

Winter Golf is now upon us, and the Winter Eclectic is due to start on 6th November till 24th December, and Winter Eclectic 2 will start 8th January till 19th March 2022.

There will be priority booking available each week as per usual on a Thursday night starting today 28th October 2021. I would like to ask all golfers to please respect the golfers wishing to play in the Saturday sweep to be given priority. If you can play any day, or not entering the sweep, please be considerate when picking times.

The Eclectic will be charged at £0.50 and there is an optional sweep on Saturdays of £1.50. This will be paid out on Nett scores, and number of pay-outs will depend on entries.

The Eclectic will be non-qualifying this year, and there will only be 1 division during this time, and handicaps will be reduced to an allowance of 75% for all eclectic entries. These will run from Saturday to Thursday inc. Friday is a rest day.

You can, of course play a casual round, should you wish to play for your handicap, as the winter yellow tees are measured.

Happy golfing.

Regards
Match Handicap Secretary
