Broomfield Medals

Hello Gentlemen,

The board have recognised that we have 74 members who are Broomfield only Season Ticket Holders and would like to offer them competition golf. It is our intention to trial Wednesday Medals during the summer months of 2021 on the Broomfield course that will be open to all members.

We have also been asked to look into medals on a Saturday and that is an option that we are still investigating.

As a pre-cursor the board have been working with a number of members to start Wednesday medals in 2021, these medals will be used to define how we manage the competitions in 2022. As such we will have the first Broomfield Medal for 2021 on Wednesday the 21st July. All feedback will be gratefully received so that we can improve and finalise for 2022. Please contact either Stuart Baird and/or Douglas Robb.

As we will be running these medals in-line with all the other club competitions, then members will be required to add money to their Competition Purse. This can be done through the App, via the terminal in the clubhouse or at the bar.

The entry fees for 2021 will be £2.00 of which £1.50 will go towards a Competition pay-out. Initially we will have a single category, this can be changed for future medals. The first medal will be off the White tees.

To enter the competition:

1. Book your tee time in BRS with your playing partners. There are no priority times therefore members can play at any time during the day.
2. On the day of the medal, sign in for the competition either through the HowDidIDo app on your phone or through the terminal in the Clubhouse.

When you sign in, please ensure that you select the Broomfield Medal

3. On completion of play, you **MUST** enter your score, even if it a NR. Enter the scores for each hole completed. Scores can be entered using the App or via the terminal in the clubhouse. Please note: If you sign in and do not enter a score on the same day then your score will be calculated at Nett 2 over on each hole.

We look forward to seeing you on the Broomfield course on the 21st July.
