

Senior's Competition Results 16-03-2022

1562 course

1st Adrian Robinson and Graham Bowman 43 pts £6 each

3rd David Bridges £4

4th Jim Calder £4

Magic Two James Sharp.

Weather permitting there will be Putting on Friday.

There is a slight amendment to the Arbroath game on Thursday 24, it is 10.15 for 11.00 tee off and not 10.45 for 11.24. My mistake.

The winter Seniors Programme has now been completed and I would like to take this opportunity to thank all the players who participated, whether it was on the 1562 or Broomfield. I hope you all enjoyed the different formats and playing with different members each week (apart from Donald and Brian).

I would also like to thank Alan, Stewart and David May for helping with the cards etc. The Prize Giving will be done at a later date.

As you all probably know, our season kicks off against Arbroath on Thursday 24 March. The entry sheets and the draws are in the locker room. I shall email the draw for each game about 1 week before and then the day before because as seniors we tend to forget things!!!

Anyway have a great season .

Dave
