Club Captain v Club Vice Captain

The Club Captain v Club Vice Captain golf season opener was held on Sunday 27th March. This is the first time in last 3 years we have been able to hold this event due to Covid.

The weather was mixed with the haar trying to spoil the day however we all managed to get round and it allowed us all to get out again on the full course and find out that we have to use a lot more long irons or woods from the fairways to the green versus the winter course!!

A total of 91 members participated in the day and on this occasion the Captain and his team were defeated by the Vice-Captain and his team.

Nearest the pins on the day were: Malcolm Watters, Allan Reoch and Michael Gove.

The result of the raffle draw to win your membership fees back was - Marc Simants and Graeme Shepherd.

Thanks to everyone that helped organise the day.

Wishing all Members all the best for the forthcoming golf season.

Employee First Aid Training

Last month CPD Training Solutions delivered a nationally accepted 'Emergency First Aid at Work' course to our office and bar staff at the club.

This course enables us to protect the welfare of our staff, members and visitors by ensuring an adequate level of training is undertaken by staff in case of emergency first aid being required within our clubhouse.
