Club Enhancement Update

We are delighted to report that preparations for our temporary relocation to the old Mercantile Golf Club are now in full swing. The existing clubhouse will close from Monday 3rd April. Please note there will be no access to the building on that day. Members should therefore ensure they remove all personal belongings from the clubhouse on or before Sunday 2nd April.

Lockers in the main building should be cleared by Friday 31st March. Trolleys currently stored in the caddy sheds that form part of the main building should also be removed by this date. Alternative arrangements for storing these trolleys will be communicated to members by email in due course. For the Avoidance of doubt – the wooden ladies trolley shed will remain accessible from the old Mercantile and therefore EXISTING trolleys can remain there.

The move to the old Mercantile building will take place during the week commencing Monday 3rd April. The Board would truly appreciate any help that members can provide during that week, to support a smooth transition and help ensure we can reopen in our temporary premises later that same week.

Pert Bruce Construction will commence the project week beginning Monday 10th April. We will of course keep members updated on progress. Busy but exciting times ahead!

Catering Update

As you are aware, David Hughes, with whom we currently have a catering franchise arrangement, is moving on to pastures new at the end of this month. We wish David well in his new post and are pleased to inform members that catering will be moving 'in-house'.

Board members are currently working with existing and additional staff to plan a way forward, with a view to commencing the new system following the move to the old Mercantile building.
