

Club Enhancement Project

If you've been in or even walked by the Club recently you'll have noticed that work on our outdoor patio area is progressing very nicely.

A very big thank you to Alan Fotheringham (Fotheringham Developments) and Montrose Port Authority for their cash donations, to Travis Perkins for donating all timber and fencing materials, and to Root One Central Ltd for supplying and laying the turf. Your generosity is truly appreciated by us all.

The turf isn't quite ready for footfall yet and we thank members for their patience. Hopefully it won't be too long before we're able to enjoy this latest addition to our Club Enhancement Project and socialise in the sunshine!

Special Guest

Sunday 21st July was Free Practice Day, ahead of the Senior Open at Carnoustie on 25th – 28th July, and we were delighted to welcome Gary Player into our Clubhouse.

Gary has a very impressive golfing track record, winning a number of major tournaments throughout his career, including The Open in 1959, 1968 and 1974, the Masters in 1961, 1974 and 1978, the PGA Championship in 1962 and 1972 and the US Open in 1965.

Now 88-years-young, Gary has played a number of Scottish courses recently and was most impressed by the condition of the 1562 and our clubhouse facilities.

A huge thank you to Debbie and her team, not only for looking after Gary so well on Sunday but for their hard work and catering so well for visitors during what proved to be a very busy week.
