New Junior Club Hire Scheme

We are delighted to inform members of a successful bid for funding to support our Junior Section.

Scottish Golf's Club Hire Fund aims to assist Golf Clubs with the purchase of equipment for young beginners by fund matching money raised by the Club for this purpose. The equipment is then hired out, at a fraction of the cost of buying clubs, and swapped for a different set as the child grows. Income generated from the scheme is used to maintain the equipment and purchase additional sets.

Our newest Junior member, Katie McGill, is shown here with dad Stephen, grandparents Joe and Linda and, of course, her brand new golf clubs!

We would like to say a very big thank you to Angus County Golf for their financial contribution towards this initiative and to Montrose Port Authority for their generous donation to our Junior Section.

Gents' Annual Match Against St Andrews

The annual match between the RMMGC men and St Andrew's Golf Club men took place at St Andrews on Sunday 11th May.

Unfortunately, the trophy didn't find its way home this year. Nevertheless, a great day was had by all players, who enjoyed first class hospitality.

Well done, lads! Here's hoping for a home win again next year!
